Rnd 37 - 38, K and then bind-off. Turn inside out and the wrong side is now the right side.

I-Cord Strap (skip this step if using plastic or wooden handle option): For the strap: Use size 13 needles, cast on 4 stitches with 2-strands black. Knit. DO NOT turn work, slide stitches to the other end of the needle and knit the stitches, carrying the yarn across the back to create a tube. Continue until 50 inches long and bind off. For the loop: Use size 13 needles, cast on 4 stitches with 2-strands

black. Knit. DO NOT turn work, slide stitches to the other end of the needle and knit the stitches, carrying the yarn across the back to create a tube. Continue until 4 inches long and bind off. You will attach the strap and loop AFTER they have been felted.

Felting and Finishing: Place bag and strap into zippered pillowcases, toss a Shout Colorcatcher into pillowcase. Place pillowcase in the washing machine with heavy items. Add ¼ c. vinegar to each wash cycle, along with some soap. Wash on the hot wash cold rinse cycle. Check after each wash to determine size and change Colorcatcher sheet. May take 3-4 trips through the wash to achieve desired felting. The strap may felt faster than the bag. Sizes will vary depending upon yarn, number of cycles through washing machine and water temperature. Our bag models are washed in hot water which is 130 degrees. To finish, shape bag into desired shape and dry flat. Make sure the strap is not twisted and dry straight.

Attaching I-Cord Strap: When dry, sew the two ends of the long strap together and then center the strap in the middle of the inside of the back of the bag. Sew strap to bag. Sew the two ends of the short strap together form a loop and center directly across of the strap. Sew to the inside of the bag front.

Attaching Optional Plastic Handles in lieu of I-Cord Strap: Center plastic or wooden handles inside the bag and sew to bag, taking care that the sewing stitches don't show on the outside of the bag. Handles used in model from Clover – U-shape black – part no. 6324. You may want to purchase the handles after you felt the bag, so that you can determine the correct width for the handles.

Yarn Used: Jo Sharp DK for blue felted bag and Peace Fleeces Aran for felted bag with black handles.
